DEETUDOR04@HOTMAIL.COM
WESTON-SUPER-MARE, UK
AVAILABLE TO RELOCATE TO DUBAI

- Administrator across **healthcare and business** — currently supporting NHS community services at Sirona Care & Health, trusted daily with confidential patient records, clinician diaries and shared inboxes.
- First point of contact by phone and email for patients, clinicians, guests and councils — calm, clear and organised under a heavy workload.
- Alongside the NHS role, **built and runs the administration of a property business** through its first year of trading — bookings, invoicing, guest communications and local-authority billing, largely remotely, supporting the business to roughly **£250,000 first-year revenue**.
- Works well without close supervision: deadline-reliable, quick on new systems, and the person colleagues come to for day-to-day IT.

CORE SKILLS

Diary & scheduling · Shared inbox management · Referral processing · Confidential records & GDPR · Invoicing & bookkeeping support · Written & telephone communication · Data entry & preparing figures · Microsoft Office · First-line IT support · Prioritising high workloads

EXPERIENCE

Administrative Assistant — Sirona Care & Health (NHS community services)

Sep 2024 — present

- Manage inbound referrals, clinician diaries, patient discharges and therapist visit scheduling for a busy community health service.
- Maintain accurate, confidential patient records to NHS information-governance standards.
- Run shared team inboxes; first point of contact for patients and clinicians by phone and email.
- Prepare figures and information for service meetings; support the organisation of the admin team.
- Provide first-line IT support to colleagues, resolving day-to-day technical issues.

Business Administrator — S L Grants Ltd (property & serviced accommodation)

Feb 2026 — present · part-time, largely remote

- Set up and run the administrative systems for a fast-growing property business — bookings, invoicing, guest communications and record-keeping — alongside the NHS role.
- Built repeatable processes for local-authority invoicing and booking administration, supporting the business to approximately £250,000 revenue in its first year of trading.
- Coordinate with suppliers, guests and council teams by email and phone, keeping accurate records across multiple properties.

Retail — TK Maxx · Next
